

WATERBIRDS

2007

ISSN: 1524-4695

30(2) 169-316

ARTICLES

- Sexual Dimorphism, Female-Female Pairs, and Test for Assortative Mating in Common Terns. *Ian C. T. Nisbet, Eli S. Bridge, Patricia Szczys and Britt J. Heidinger*..... 169-179
- Sex Determination of Adult Black Terns by DNA and Morphometrics: Tests of Sample Size, Temporal Stability and Geographic Specificity in the Classification Accuracy of Discriminant Function Models. *David A. Shealer and Cathleen M. Cleary*..... 180-188
- Daily Foraging Patterns of Adult Double-crested Cormorants During the Breeding Season. *Jeremy T. H. Coleman and Milo E. Richmond*..... 189-198
- Selection for Sexual Bill Dimorphism in Ibises: An Evaluation of Hypotheses. *Gregory A. Babbitt and Peter C. Frederick*..... 199-206
- Egg Flotation Estimates Nest Age for Pacific and Red-throated Loons. *Daniel J. Rizzolo and Joel A. Schmutz*..... 207-213
- The Colonies of VanRossem's Gull-billed Tern (*Gelochelidon nilotica vanrossemi*) in México. *Eduardo Palacios and Eric Mellink*..... 214-222
- Chronology of Breeding and Molt Migration in Surf Scoters (*Melanitta perspicillata*). *Jean-Pierre L. Savard, Austin Reed and Louis Lesage*..... 223-229
- Distribution, Diet and Dive Behaviour of Barrow's and Common Goldeneyes during Spring and Autumn in the St. Lawrence Estuary. *Dominic Bourget, Jean-Pierre L. Savard and Magella Guillemette*..... 230-240
- Interactions Between Double-crested Cormorants and Herring Gulls at a Shared Breeding Site. *Christopher M. Somers, Marie N. Lozer and James S. Quinn*..... 241-250
- Directing Nest Site Selection of Least Terns and Piping Plovers. *Jeffrey F. Marcus, John J. Dinan, Ron J. Johnson, Erin E. Blankenship and Jeanine L. Lackey*..... 251-258
- Estimates of Southern Rockhopper and Macaroni Penguin numbers at the Ildefonso and Diego Ramírez Archipelagos, Chile, using quadrat and distance-sampling techniques. *Roger Kirkwood, Kieran Lawton, Carlos Moreno, Jose Valencia, Roberto Schlatter and Graham Robertson*..... 259-267
- Long Distance Natal Dispersal in Blue-footed Boobies. *José Alfredo Castillo-Guerrero and Eric Mellink*..... 268-270
- Oiled Piping Plovers (*Charadrius melodus melodus*) in eastern Canada. *Diane L. Amirault-Langlais, Peter W. Thomas and Julie McKnight*..... 271-274
- Piping Plovers Nesting Amongst Cottonwood Saplings. *Conor P. McGowan, Daniel H. Catlan, Galen D. Jons and Gregory A. Pavelka*..... 275-277
- Seaside Tiger Herons. *James A. Kushlan and George R. Angehr*..... 278-283
- Mercury and Selenium in American White Pelicans Breeding at Pyramid Lake, Nevada. *Stanley N. Wiemeyer, John F. Miesner, Peter L. Tuttle, Edward C. Murphy, Louis Sileo and Donna Withers*..... 284-295

Waterbirds of the Xisha Archipelago, South China Sea. <i>L. Cao, Y. L. Pang and N. F. Liu</i>	296-300
First Breeding Observations and a New Locality Record of White-eared Night-heron <i>Gorsachius magnificus</i> in Southeast China. <i>Bi Cheng Li,</i> <i>Ping Ping Jiang and Ping Ding</i>	301-304
Reproductive Biology of Great Cormorant (<i>Phalacrocorax carbo sinensis</i>) in the Qinghai-Tibet Plateau. <i>Tong-Zuo Zhang, Lai-Xing Li, Xin-Ming Lian,</i> <i>Zhen-Yuan Cai and Jian-Ping Su</i>	305-309
Measuring the Behaviors of Wintering Black-faced Spoonbills (<i>Platalea minor</i>): Comparison of Behavioral Sampling Techniques. <i>Chang-Yong Choi,</i> <i>Hyun-Young Nam and Woo-Shin Lee</i>	310-316
