ARTICLES

- Spring Migration of Northern Pintails from Texas and New Mexico, USA.
*David A. Haukos, Michael R. Miller, Dennis L. Orthmeyer, John Y. Takekawa,
Joseph P. Fleskes, Michael L. Casazza, William M. Perry and Jena A. Moon*..... 127-136
- Using Stable Hydrogen Isotope Analysis of Feathers to Delineate Origins
of Harvested Sandhill Cranes in the Central Flyway of North America.
*Keith A. Hobson, Steven Van Wilgenburg, Leonard I. Wassenaar, Helen Hands,
William P. Johnson, Mike O'Meilie and Philip Taylor* 137-147
- Evidence for Wing Molt and Breeding Site Fidelity in King Eiders.
Laura M. Phillips and Abby N. Powell..... 148-153
- Do Cattle Egrets Exclude Little Egrets from Settling at Higher Quality Sites
within Mixed-species Colonies?
Laura Dami, Robert E. Bennetts and Heinz Hafner..... 154-162
- Adult Survival of Herring Gulls Breeding in the Canadian Arctic.
Karel A. Allard, André R. Breton, H. Grant Gilchrist and Antony Diamond..... 163-168
- Water Clarity and Diving Behavior in Wintering Common Loons.
Stephanie A. Thompson and J. Jordan Price 169-175
- Genetic Variation among Subspecies of Least Tern (*Sterna antillarum*):
Implications for Conservation. *Joanna B. Whittier, David M. Leslie, Jr.
and Ronald A. Van Den Bussche* 176-184
- Diet of the Black-faced Spoonbill Wintering at Chiku Wetland in Southwestern
Taiwan. *Yih-Tsong Ueng, Jen-Jiun Perng, Jiang-Ping Wan* 185-190
- White-faced Ibis Diet in Argentina. *Guillermo E. Soave, Anibal R. Camperi,
Carlos A. Darrieu, Armando C. Cicchino, Vanina Ferretti and Marcos Juarez* 191-197
- Digitizing Vouchers for Diet Studies in Bill Load Holding Birds.
Keith Larson and David Craig 198-202
- Use of Vanishing Bearings to Locate New Wading Bird Colonies.
James K. Kenyon 203-210
- Failure of Methiocarb to Produce Conditioned Taste Aversion in Carrion Crows
Consuming Little Tern Eggs. *Teresa Catry and José P. Granadeiro*..... 211-214
- The Diet of Nestling Abdim's Stork *Ciconia abdimii* in Niger. *Knud Falk,
Flemming Pagh Jensen, Kim Diget Christensen and Bo Svenning Petersen* 215-220
- Spatial, Temporal and Weather factors Influencing the Foraging Behavior
of Migrating Semipalmated Sandpipers. *Guy Beauchamp* 221-225
- Selective Foraging of Grey Heron (*Ardea cinerea*) in Relation to Density and
Composition of the Littoral Fish Community in a Submontane Dam Reservoir.
Robert Gwiazda and Antoni Amirowicz..... 226-232
- Tool-use in Charadrii: Active Bait-Fishing by a Herring Gull.
Pierre-Yves Henry and Jean-Christophe Aznar..... 233-234
- Distribution and Status of Palearctic Shorebirds in Western Madagascar,
September-November 2004. *H. Glyn Young, Felix Razafindrajao,
Richard E. Lewis and Bin Aboudou Abdallah Iahia* 235-238
- In Memoriam: Richard T. Paul. *Dale E. Gawlik and John C. Ogden*..... 239-240
- Editorial Board 241
